Examination

Students at AMICHM pay examination fees to the Administration department, enabling them to participate in the evaluation process. Throughout the academic term, class tests are conducted to assess students' understanding of the subjects. These tests serve as an essential preparation for the semester-end papers.

Mumbai University takes care of the hall ticket generation process. Once students have registered for the university examination and fulfilled the necessary requirements, the university generates hall tickets for each student.

For third-year students, the question papers are made available for download from the Mumbai University Portal. This process ensures that all students receive the same set of questions, maintaining fairness and integrity in the examination process.
